Gidgegannup sponsorships announced

Port Bouvard Ltd announced this week that all sponsorship applications for its 2009 Community Partnership Programme (CPP) were successful.

The company, which is currently planning for the expansion of the Gidgegannup townsite according to the North Eastern Hills Settlement Pattern Plan, undertook a number of sponsorships in 2008 before introducing the Community Partnership Programme this year.

The 2009 successful applicants include:

- Gidgegannup Cricket Club for the Annual 20/20 Hills Cricket Association competition
- Gidgegannup Rec Club for the Beat in the Bush concert
- Gidgegannup and Hills Equestrian Association for the Dressage Division Indoor Qualifier
- Gidgegannup Horse and Pony Club for the Gidgegannup CNC event
- Experience Gidgegannup for the Small Farm Field Day

Mr John Wroth, joint Chief Executive Officer of Port Bouvard Ltd, stated that the company was committed to the Gidgegannup community.

“There are a number of community groups in Gidgegannup, which reflects a strong local spirit, and Port Bouvard Ltd is keen to foster this as the townsite development proceeds,” Mr Wroth said.

“Many of these groups rely heavily on sponsorship funds to host their events and as such Port Bouvard Ltd is pleased to provide some financial assistance as part of our ongoing commitment to community-building.”

While the sponsorship applications closed on 28 February, the company fast-tracked three of the submissions to ensure they were able to proceed in January and March.

More information about the Community Partnership Programme and how to apply can be found at www.choosegidgegannup.com.au or by calling Port Bouvard Ltd on 9368 6200.
